Gary,
Donn can help with this. CAS

Hi Guys!

Might you all provide answers to the following questions from the mayor's DC rep so she can update the city? Thanks so much!

- Update from Region VI about the findings of the dive team from their cap monitoring earlier this month;
- Date, time and location of the public meeting that was tentatively scheduled for May 25th; and
- Highlands groundwater contamination status - Mayor DonCarlos was very willing to weigh in with Harris County if need be.
